****Judges strongly consider the interpretation of the Reflections theme during the evaluation process. It is suggested that students give their submissions a title that stands out and describes how the piece relates to the student's personal interpretation of the theme. The following guiding questions can be useful when developing a title and artist statement:**

How does your work relate to the theme?

What is your personal connection to the theme?

What did you use to create your work (e.g., supplies, technology, instrumentation, props, etc.)?
